

BCBST Transparency in Coverage

In compliance with the Transparency in Coverage Rule, we are required to publish additional information regarding the health plan through Blue Cross Blue Shield of TN.

This link leads to the machine-readable files that are made available in response to the federal Transparency in Coverage Rule and includes negotiated service rates and out-of-network allowed amounts between health plans and healthcare providers. The machine-readable files are formatted to allow researchers, regulators, and application developers to easily access and analyze data.
